

FEATURED EVENTS

YOUR FUTURE, YOUR VOTE

Student elections take place Tuesday, April 13 and Wednesday, April 14.

Vote for your new student government representatives and on the Green Campus fee which would permanently support conservation efforts at the college.

The Green Campus Fee supports the college's efforts to foster a culture of resource conservation, social equity, and environmental stewardship. It funds programs like recycling, water stations, the bus pass program, and creek clean up.

If you vote, you will be entered into a drawing for an iPad Pro. Look for the ballot link in your student email and on D2L.
